**This is the Research and Innovation Dept Wiki**

**If you don't have access to your regular pages, make sure that you're logged in.**

## Use the Search Bar!

The search bar at the top of this page is quite powerful. We encourage you to use it instead of wasting time browsing the site tree.

## Getting Started

This knowledge base runs on *DokuWiki* with **Markdown syntax enabled**.

- By default, all areas except `/public` are private.
- Access is granted by administrators to specific areas of the Wiki. Whenever you need access to new wiki sections, contact support.
- Broadly speaking, pages and media are structured in folders and sub-folders.

If it's your first time using Wiki.js, please check the [DokuWiki](#).

**Access to Media files** such as images or PDFs behaves exactly the same way as regular pages. You'll only access those files if you were given permissions.
